

This project has received funding from the European Union's Horizon 2020 research and innovation programme under grant agreement No 770141.

TRANS-URBAN-EU-CHINA

Transition towards urban sustainability through socially integrative cities in the EU and in China

WP 3 Land use planning and land management

State of work

August 20th, 2020

Stefanie Roessler, Robin Gutting (IOER)

Paulina Schiappacasse, Bernhard Mueller,
Julia Suering, Andreas Ortner, Alexandra Weitkamp (TUD)

Jianming Cai, Jing Lin, Enpu Ma (CAS)

Online Compendium

(1) Sectoral housing plan
(2) Design code
(3) Integrated urban development planning
(4) Community planning
(5) Subsidies
(6) Comprehensive renewal procedure
(7) Temporary use
(8) Capacity building
(9) Allocation of municipal plots with application procedure (concept award)
(10) Formal plan
(11) Urban contract
(12) (Public) Interim purchase
(13) Public private partnership
(14) Land quota system
(15) Dynamic balance of farmland occupation and reclamation
(16) Land banking system and the adjustment of land use function mechanism

- Drafts ready (16 tools)
- Internal review until August 26th
- Revision and finalization
- Submission August 31st

ULL activities

- Two online seminars (urban renewal and land management + urban expansion and land management)
- Focus should be on socially integrative urban development, less on general steering/planning issues
- Presentation and critical reflection of selected tools (feedback on potential applicability/success)
- Participants:
 - WP 3/tasks representatives
 - Invited experts from practice and academics (focus on Chinese experts and practitioners as main ULL addressees; selected European experts for presenting/discussing examples)
- Around 2 hrs (9-11am/10-12am; 3-5pm/4-6pm)
- Support for organization by WP 5
- Week 42 (probably October 14th, 16th)?

ULL activities

Outline	(1) Online Seminar UR	(2) Online Seminar UE
Objective/ Guiding question	<i>How to make urban renewal socially integrative?</i>	<i>How to make urban expansion socially integrative?</i>
Introduction (10 min)	Background, objective, expectations, guiding questions, introduction of programme/presentations/participants	Background, objective, expectations, guiding questions, introduction of programme/presentations/participants
Specifics of socially integrative urban development (15 min)	Definition of socially integrative cities (general, based on book chapter); highlighting specific characteristics of socially integrative urban renewal, as basis for the following tool presentation (should be provided as Chinese translation beforehand)	Definition of socially integrative cities (general, based on book chapter); highlighting specific characteristics of socially integrative urban expansion, as basis for the following tool presentation (should be provided as Chinese translation beforehand)
Tools (3-4) (max. 10 min each tool)	Short presentation of helpful tools to address/promote/support single characteristics of socially integrative urban renewal (both on strategic and implementation level) <ul style="list-style-type: none"> - Purpose - Impact - Strengths/weaknesses - Practice example 	Short presentation of helpful tools to address/promote/support single characteristics of socially integrative urban expansion (both on strategic and implementation level) <ul style="list-style-type: none"> - Purpose - Impact - Strengths/weaknesses - Practice example
Prepared comments (30 min)	Questions to be sent to selected discussants beforehand	Questions to be sent to selected discussants beforehand
Discussion/ summary (30 min)
